

# UNIVERSAL REMOTE

## SETTINGS

1 - Medianet Remote - Press and hold the [SET] button until it turns RED.

2 - TV Remote - Press the button you prefer to setup, For example [POWER] Medianet Remote - Power button LED will start blinking.

3 - Medianet Remote - Press the same button you prefer to setup, For example [POWER] Medianet Remote - Power button LED will get steady.

4 - Medianet Remote - Press and release the [SET] button.

NOTE: While carrying out the instructions in step 3, the TV remote and the Universal Remote must be aligned and facing each other in a minimum distance of 2 inches
